

You are invited to

Family Fun Night!

This free event is open to all special needs elementary school children (pre-k through 5th grade) and their elementary school-aged siblings.

Friday, February 19th 2010

6:30- 8:00pm

Stony Brook Elementary School

hosted by Family 411 Resource Network

<http://sites.google.com/site/family411network/home>

The Family 411 Resource Network is a Hopewell Valley parent-driven group that assists other parents of medically challenged/ differently abled/learning different children in grades pre-k through 5th grade **throughout the HVRSD district**. Its purpose is to a) offer helpful programming, b) provide parents with local and national resources and c) provide a peer network where parenting experiences can be shared. All information shared is kept strictly **confidential**.

There will be fun stations as well as a quiet area with snacks for kids who need to take a break.

An obstacle course

Art activities

Dance

Yoga

Evening format: Kids will be assigned to a group (based on age) as they enter the school. Each group will be led by a High School “buddy” as they go through each station. Individual buddies are also available for all children who may need extra support. Parents are encouraged to socialize in the parent area where refreshments will be provided. **REGISTER TODAY!**

What is a special needs child? Kids with developmental delays · auditory processing challenges · sensory integration disorder · attention issues · emotional difficulties · physical challenges · medical challenges · social issues · speech issues and much more
