As the parent/guardian of the student above, I hereby give permission for my son/daughter to use the information technology services including Internet access provided by the Hopewell Valley Regional School District. Additional Information from Technology

Remember to update all of your contact information on Infinite Campus. It is especially important that we have current cell phone and e-mail addresses as this is the way we would contact you in the case of an emergency. Last spring you were sent information as to how to log in and access this information. Infinite Campus allows one number and e-mail per person. If you would like be on the school email list, your email address must be current in Infinite Campus. Additional email addresses can be used to receive an emergency e-mail notice by registering them on the district website at www.hvrsd.org and click on Emergency & School Email List Information located under the Infinite Campus icon, and complete the form. If you have any questions, please call your school office.

One More Thing!

Please take note that we have been transitioning our website to www.hvrsd.org since last January. As of July 15th, the old www.hvrsd.k12.nj.us address will no longer work. The same goes for staff and student email addresses as only hvrsd.org is valid. Please make the necessary changes to your web browser favorites and your email address book.
